# INTERNATIONAL EUROVAULT EVRH

- Fascia Panel**  
 High tensile strength hardplate made of drill resistant, polished stainless steel
- U.L. Listed Lock**  
 All safes come standard with U.L. Listed Group IIM combination lock with satin finish dial, dial ring & handle. Electronic digital lock optional

## Activated Depository Slot

Accumulated cash can be transferred through a tamperproof slot into a secured inner compartment as a deterrent to armed robbery and internal theft. The EVRH offers excellent burglary and fire resistant protection by providing a temporary storage for excess cash throughout the day.

## Specifications
